

Round-about-Buckden

CHILDREN'S LEAFLET

Are you into the great outdoors? If you are, then Round-about-Buckden is for you. It's a circular walk and gets your 10,000 steps in, in one go! I promise you won't be disappointed.

On the walk why don't you look around and take a moment to:

- Breathe in the fresh air.
- Touch the soft petals of a flower
- Listen to the tweeting of the birds
- Smell the vegetation around you

What did you feel, smell, see and hear?

It's a great way to use your time and it's right on your doorstep. The route starts at the Village Hall and there are loads of ways you can make it shorter if you want to.

This is an exciting walk, there will be lots of different types of birds that you can see. You might see a red kite, wood pecker, duck, moorhen, swan, robin, swift or swallow

Red kite

Swift

Ducks

Woodpecker

Robin

Swallow

Moorhen

Swan

Try to spot five different birds. Which ones have you spotted?

Have you ever thought of geocaching, a sort of treasure hunt? Have a look at the website www.geocaching.com as there are some hiding on the route.

Depending on the time of year there are lots of plants to spot.

See how many different plants you can spot. 5 POINTS for each plant. Can you get to 50??? Take photos to show them to others.

How many different plants and flowers do you spot?

.....

Here is list of what animals you might see any day on the walk.

Rabbit, fox, deer, shrew, squirrel, hare, grass snake. Which ones have you seen?

Fox ☒

Hare ☐

Grass snake ☐

Rabbit ☐

Deer ☐

Shrew ☐

Squirrel ☐

What trees will you pass? You might spot, field maple, oak tree, holly tree or elder.

Draw the leaves of 3 trees here, or the bark if it is winter?

.....

Night walk- have you ever thought there is more than just day? Well there's night! Discover the treasures of the night on the walk. Bats, owls, hedgehogs, badgers. You never know what you might see or hear and in the spring you might even hear a Nightingale.

**DON'T SIT WATCHING TV GET OUT THERE!!!
COME ON GET ACTIVE AND CHALLENGE
YOUR FAMILY ON THE 10,000-step walk.**
