Subject: RE: SD 2021 AWL C173 Mill Rd, Buckden

Dear Sir or Madam,

Road Closure: C173 Mill Road, Buckden

I am writing to advise you of a Road Closure that will be happening very shortly, in order to facilitate essential carriageway maintenance.

At the time of this letter, currently scheduled Wednesday 7th July 2021 for approximately one day (Dependent on Weather) – Carriageway Surface Dressing Treatment.

Whilst the work is in progress, during operational hours, the road will be closed from approximately 9.30am to 3.30pm, and vehicular access will be restricted. A signed diversion route will be in place for through traffic.

In order for the contractor to complete the work with minimum disruption, it is essential that no vehicles are parked on the road. If you have particular access requirements, please speak to a member of the crew onsite who will be able to assist.

Access to properties within the closure area will be possible, but are subject to working conditions, and delays are to be expected. **Crews will be working in accordance with Covid 19 guidelines.**

These works are weather dependent, and as part of a larger program, changes are possible at short notice. As there will be no further letters regarding these works, please look out for the advanced notices on site or check CCC Social Media platforms, as these will give the most up to date information; or contact our call centre or email as above.

If you have any queries regarding the works please use the above contact details or visit the CCC website for more information on Surface Treatments - <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/surface-treatments>

There will obviously be some noise and disruption associated with the work, and I apologise for any inconvenience that you may suffer. Thank you in advance for your co-operation.

Regards,

Martin

Martin Gowler
