

Service Changes **Sunday** **5th June 2022**

We will be making changes to some of our Cambridgeshire and Busway timetables from **Sunday 5th June 2022**

A route-by-route overview of the changes can be found below. All routes that are not listed will continue to operate to their current timetables.

Cambridge

Citi 1

The service will continue to operate to a 15 minute frequency but some slight tweaks have been made to departure times to improve the punctuality of the service. Please check the timetable for specific journey details.

Citi 3

The service will continue to operate to a 20 minute frequency but some slight tweaks have been made to departure times to improve the punctuality of the service. Please check the timetable for specific journey details.

Citi 5

In response to passenger feedback, we will be introducing a new, fast 5F service to/from Bar Hill at peak times Monday-Saturday. This 5F service will operate via the A14, Girton Corner and Huntingdon Road. Please check the timetable for specific journey details.

Citi 6

We will be reinstating three AM and three PM trips each way between Oakington and Cambridge to maintain a 30 minute frequency on this corridor. Please see the timetable for specific journey details.

Route 11

To improve the punctuality of the service, slight tweaks will be made to the timings of morning journeys. Please check the timetable for specific journey details.

Route X9

The current X9 journey to Cambridge departing Ely at 17:07 will now depart at 16:55.

Saturday X9 journey times between Cambridge Research Park and Cambridge Science Park will be reduced by 10 minutes.

School Route 613:

Slight tweaks have been made to departure times for journeys to Linton Village College. Please check the timetable for specific journey details.

Route 13

Slight tweaks have been made to departure times for journeys from Cambridge to Haverhill. Please check the timetable for specific journey details.

Route 18

Journeys towards Cambridge will no longer serve Cambourne Business Park.

Park And Ride

Madingley Park & Ride

One trip a day will start/finish in Dry Drayton and operate via Madingley village.

This service will depart Dry Drayton at 07:17, reach the Madingley Park & Rides site at 07:32 and arrive in Cambridge City Centre at 07:45. The return trip from Cambridge will depart at 18:05.

Babraham Park & Ride

The service will continue to operate to a 12 minute frequency but some slight tweaks have been made to departure times to improve the punctuality of the service. Please check the timetable for specific journey details.

Busway Route A & B:

To provide additional capacity on the Busway, routes A & B will now operate to an improved 20 minute frequency all day Monday-Saturday. This will create a combined Busway A & B frequency of 10 minutes on the Northern Busway track.

The short Busway A journeys between Cambridge and Trumpington will no longer operate. This means that there will now be a 20 minute frequency between Cambridge and Trumpington Park & Ride.

Route V1:

Some slight tweaks have been made to departure times to align with the new Busway timetable. Please check the timetable for specific journey details.

Route V3:

Some slight tweaks have been made to departure times to align with the new Busway timetable. Please check the timetable for specific journey details.
