28 June 2022

Dear Sir/Madam

A1 between Buckden Roundabout and Brampton Hut Interchange – resurfacing, road stud replacement and line marking

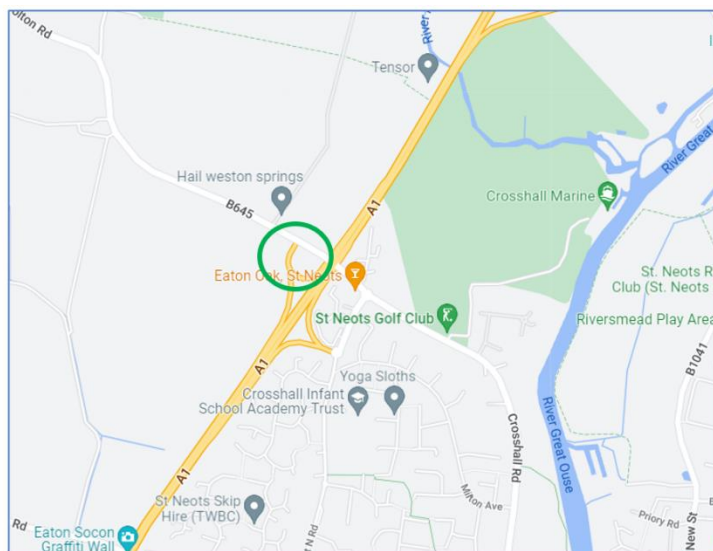

I am writing to remind you about the resurfacing work we are carrying out on the A1 between Buckden Roundabout and Brampton Hut Interchange.

In our previous letter, dated 9 June, we set out details on how to gain access to your properties during our full weekend closures. Given the scale of the works and the amount of information contained, we are writing to remind you of the arrangements to get vehicular access to your property during these closures.

For this weekend's northbound closure between Wyboston and Buckden Roundabout (9pm, Friday 1 July to 6am, Monday 4 July) escorts will be provided from the Hail Weston A1 northbound slip road. This measure will also be in place for the northbound closure from 9pm, Friday 29 July to 6am, Monday 1 August.

We kindly ask you to show proof of address to the traffic management operatives who will be located on the northbound Hail Weston slip road (as circled in the map below). They will then escort you through the closure when safe to do so.

Please note, the Little Paxton entry slip road will be closed to all traffic during these closures.

Google©

These closures are in place from Wyboston to ensure that vehicles travelling northbound along the A1 use the appropriate diversion route and avoid causing congestion on the local road network.

How to find out more

To find out more about road improvements we're carrying out across the East of England, please visit our website at <https://nationalhighways.co.uk/our-work/east/>.

If you would like more information, please contact us on 0300 123 5000, or by email at info@nationalhighways.co.uk.

Yours faithfully

Claire Walker
