

Transport strategy for Fenland survey 2022

GDPR statement

This consultation to share your views on the details of the draft strategy for Fenland and an action plan of schemes to address the transport challenges facing the district, whilst also looking at sustainable access to services and a safe and healthy environment. We may share your information with our consultants, our partners in this consultation (Such as the CPCA, district councils and the GCP) and with the council analysis team.

You do not have to give us any personal information. We will not publish any personal details you do give us, but may publish our response, and include it in public reports, with personal details removed. Personal data will be held securely, in accordance with data protection legislation. We will only store it for 12 months after the consultation results have been analysed and the consultation report published.

- ☐ County Councillor
- ☐ District Councillor
- ☐ Organisation
- ☐ Parish/ Town council
- ☐ Other (please specify)

2. Please specify your name and/or organisation / parish / town council. If you do not wish to provide your details, please write NA here.

Fenland transport strategy vision

To prioritise and develop a connected, safe and inclusive transport network in Fenland. A network that will enable more people to access employment, education, healthcare and everyday services by a range of transport modes. There is a key focus on active or sustainable travel to improve opportunities, the health and wellbeing of Fenland residents and the environment they live in, now and for future generations assisting with levelling up the Fenland District.

3. How far do you agree/disagree with the draft Fenland transport strategy vision?

(Choose any 1 option)

- ☐ Strongly agree
- ☐ Agree
- ☐ Neither agree nor disagree
- ☐ Disagree
- ☐ Strongly disagree

4. Please provide any comments on the draft vision for the Fenland Transport Strategy

Fenland transport strategy objectives

- Reduce the impact of rural isolation on the day-to-day life and future prospects of Fenland residents by developing better access solutions to key services and facilities
- Support the needs of the local economy by developing better connectivity to places of education, retail, employment and healthcare
- Enable residents to live fit and healthy lifestyles, as they are able, by developing and promoting a connected, safe and viable active travel network and improving wellbeing
- Meet the challenge of climate change and enhance the natural environment by encouraging people to travel more sustainably

Action plan

The draft Transport Strategy includes a draft Action Plan of schemes/interventions to deliver the vision and objectives of the Strategy, in line with the policies. Implementation of the Action Plan is dependent on availability of funding.

The Fenland Transport Strategy has been developed alongside a draft Active Travel Strategy for Cambridgeshire. All active travel schemes and initiatives are included in the action plan for the Active Travel Strategy. To have your say on active travel across the county, please complete the active travel strategy survey.

- 10. Do you agree the Fenland action plan of schemes and interventions will help to deliver the vision and objectives of the Fenland Transport Strategy?**

(Choose any 1 option)

- ☐ Strongly agree
- ☐ Agree
- ☐ Neither agree nor disagree
- ☐ Disagree
- ☐ Strongly disagree
