

Buckden Neighbourhood Watch.

Report to the Annual Assembly on Tuesday 20th May 2025.

Is article in the Buckden Roundabout enough from Buckden Neighbourhood Watch?

Recall in the past sixty – three street coordinators looking after their street reporting suspicious behaviour with regular meetings with the police.

Over the years neighbourhood watch has changed with social media and national changes.

I have discussed the Neighbourhood Watch Scheme with the Huntingdonshire NHW Association Chairperson, who has been a scheme coordinator for over twenty-two years, also as a Membership Support Administrator.

I welcome her experience in neighbourhood watch, believe in the interests of Buckden residents to join the Huntingdonshire Neighbourhood Watch.

If you know of any neighbours or friends who are interested in joining the scheme ,they can register on the NHW National Database by visiting www.ourwatch.org.uk and clicking on “ Join Us ” button.

All relevant information can be found there.

The NHW National Database, securely stores members contact information with the GDPR Act 2018 all data is handled responsibly with utmost confidentiality.
