Actions and Agreements.

Biodiversity and Handymen.

Communicated to handymen by Ramune and Caroline. Ramune will monitor implementation.

New mower delivered and handymen being trained.

New litter bins delivered. Need a conversation with the Management Company at the Bloor Estate about future plans. **DP/AHJ**

Christmas Lights

- Site meeting took place. Quotes awaited for repairs to electrical infrastructure plus options for new lights. **RM to chase.**
- Strong preference for new, white, traditional lights noted.
- Need to check if permission required to move brackets on George, Vine, Lion, and house next to Days. **RM to contact HDC.**

Cemetery Mapping

- Very close to completion. Unknown section to be completed. Final data to be passed to Pear to finalise map. **DP/RM**
- Agreement to purchase a 'notice board' (similar to that used for the Round Buckden Walk in VH car park), to display map in cemetery. Will show different areas and potentially the guidelines for each area. **RM to get quote.**
- Agreement that the Paul Neville headstone should no bigger than 40x40x40cm. This will be standard for the stone area (Area G). **JT to confirm to Mr Neville.**
- Need to review the wording relating to burial prices. **RM/JT**

Zip wire and climbing wall

- Signs to be purchased confirming age limits and what to do if any breakage. **DP/RM**
- Quarterly assessments agreed. Questionnaire to be placed on web site. **RM**
- Thank you to all involved in getting this done!!

Play Area

- Review undertaken by Fenland. Quote awaited to remedy all outstanding repairs. **RM**
- Plans to replace one of the swing sets with a more accessible version. **DP**
- Exploring different items including 'stand up' roundabout. **DP**
- Previous roundabout option may go to the Bloor Estate.

Defibrillator

- Electrician to install at the Dentists. **RM**
- Put map showing defibrillator locations on Facebook. **DP**
- Add regular check questionnaire to web site. **RM.**

Next Meeting: 24th May at 2pm.
