

General Purposes Advisory Group May 2022

Biodiversity and Handymen.

Handymen to operate No Mo May.

New mower delivered and handymen being trained.

New litter bins delivered.

Christmas Lights

- Site meeting with potential vendor took place. Decision needed about type of lights required. Then quotes will be received re repairs to electrical infrastructure plus options for new lights.
- Strong preference for new, white, traditional lights noted.

Cemetery Mapping

- Very close to completion. Unknown section to be completed. Final data to be passed to Pear to finalise map.
- Agreement to purchase a 'notice board' (similar to that used for the Round Buckden Walk in VH car park), to display map in cemetery. Will show different areas and potentially the guidelines for each area.

Zip wire and climbing wall

- Signs to be purchased confirming age limits and what to do if any breakage.
- Quarterly safety assessments agreed.
- Thank you to all involved in getting this done!!

Play Area

- Review undertaken by Fenland. Agreed to undertake all but low risk repairs.
- Plans to replace one of the swing sets with a more accessible version.

Defibrillator

- Electrician to install at the Dentists.
- Put map showing defibrillator locations on Facebook. **DP**
