

Chair and Vice Chairs Report May 2024

Buckden Community Hub

The project is on going and several meetings have taken place. Whilst we are continuing to seek feedback from residents via the questionnaire, the immediate focus is on obtaining the views of younger residents.

A questionnaire has been produced for this group and has been circulated by FB and Instagram and via parents at Hinchbrook and Buckden Schools. An event comprising various activities, a feedback session and pizza has been arranged for 17th May at the Village Hall.

Advisory Group Responsibilities

At our next meeting in June, we will be discussing membership of Advisory Groups and Committees. The current make up of the groups is attached for information.
