

GENERAL PURPOSES ADVISORY GROUP

PC MEETING 13TH April 2021

BUCKDEN CEMETERY

Ramune and I have reviewed the Cemetery fees costs for 2021. The only change suggested is that a charge of £45 should be made (present charge nil) to add an additional inscription on the headstone. This brings the PC in line with Brampton PC.

GP proposes that a charge of £45 be made for the cost of an additional inscription on the headstone.

CHILDRENS PLAY AREA

The annual safety inspection has been carried out and a number of minor problems had been identified. These have now all been rectified and the cost was within budget.

BUCKDEN CHURCHYARD

The wildflower area will soon have its second weedkill and will then be sown with appropriate seeds. Cllr Salmon will be overseeing this on behalf of the PC.
