

Highways and Cycling Update 6th January 2021

Buckden to Brampton Cycle Path

Anne, Caroline and Amy have recently amended the CIL funding application and submitted this to HDC. The funding will cover the cost of the extension of the cycleway from the A14 cycleway into Brampton and allow for safer crossing over Buckden Road by use of a central island.

Covid Funding

Elaine completed the application form for the school to receive a CCC Risk Assessment of School Lane for the School Street scheme. This will permit the closure of School Lane to vehicular traffic between Church Street and Greenway between two periods, one in the morning and one in afternoon. Access to households will obviously still be permitted during these hours. This will need to be manned by volunteers to start with.
