Actions and Agreements.

Gas Heater in Storage Shed

Talk to Handymen again about requirement for heating. **RM**

Christmas Lights

Chase Blanchere again. If response not received prepare our own analysis of costs and request additional refund. **JT**

Cemetery/Churchyard

- Training to conduct physical topple testing has been arranged at no charge. **RM/JT**
- Agreed that we should expand the ashes area. Nigel will produce a map of where this will be located and recommend whether it is grassed or covered with gravel. **RM**
- Concerns about several stones at Churchyard. Put up notices ahead of topple testing. **RM**
- Progress war graves signage. **RM/JT**

Zip wire and climbing wall.

Annual risk assessment has been arranged for April and will involve the Handymen. **JT**

Defibrillator

- Has been installed at the Vine and has been registered.
- Chase Bloor re defibrillator on Estate. **JT**
- Diddington should potentially be our next priority when defibrillator available.

Coronation

An update was provided.

Xmas Tree at Swan End

It was agreed that moving the tree to the communal area of Swan End was unlikely to be successful. Advise resident of this. **RM**
