New actions from the last BPC meeting			
01-169	Sign on the Roundabout		Cllr GS reported that he took pictures of the signs after Jan BPC meeting and sent them to National Highways for a response along the lines of safety etc. The reply was a picture from 2018 showing a similar sign that was in place and that all matters on this are the responsibility of HDC and the planning department. Cllr GS wrote and I sent an email, to date I have had no response. TO NOTE NH have no authority over this matter. It is through HDC planning, still awaiting response.

Feb 2025 BPC Meeting

05-005/2	Map of watercourses in Huntingdonshire proves that there are watercourses in the village that are awarded and therefore are HDC responsibility to maintain. Cllr MH agreed to check with HDC re the awarded watercourses.	HDC Cllr MH	A member of HDC staff is tasked to look into archives and find the records and map out all watercourses in Huntingdonshire. It was noted that if watercourse is fed from the Highways then that is an awarded watercourse and is the responsibility of the Highways. More details will be shared when the map is ready, aiming 2025. Agreed to set a reminder to check with HDC on the progress of the mapping in the next 6 months time.
