

Digital and Communications AG meeting notes from Cllr Underwood July 2020

This report is just to give Councillors a brief update on the work of the group.

New Website in Place

The Council has now formally closed the original website and the new website is in place. There is still some work required to make it as useful as possible and the AG will meet in August to review the website and improve layout. It would be helpful if all Councillors looked at the new website and fed back to members of the Advisory Group Cllrs Hassall, Duncan, Howell Jones and Underwood and the Clark

Email Accounts

All but 2 Councillors are now operating Buckdenpc email accounts. The Auditor commended us on this.

Cllr Duncan has created a guide for iPad/iPhone users entitled 'Adding an Email Account to your iPad or iPhone'. At least two Councillors have successfully used the document.

Cllr Hassall has provided a Loom video tutorial for Councillors with editing access to the website.

Thanks

To Cllrs Hassall and Duncan for all their hard work in getting the new website and email system up and running.
