BUCKDEN PARISH COUNCIL GUIDANCE AS TO HOW TO USE PLAY AREA

The government guidelines are a challenge to all Parish Councils. Scientific advice suggests that the COVID-19 virus can survive for up to several days on some hard surfaces. The risks are reduced when outdoors where surfaces may be subject to UV light and/or rain.

THE USER OF THIS EQUIPMENT DOES SO AT THEIR OWN CHOICE AND RISK.

The equipment will be cleaned before the opening on Friday 17th July. It will then be a parental responsibility to ensure their children take adequate precautions such as sanitiser, gel etc to protect themselves as it is not possible to make this facility COVID proof

Please note the following:

1. The maximum number of users will be 8.
2. Please retain 1m plus distance from other users e.g. when pushing swings
3. To enable as many children as possible to use the equipment please limit use to 30 minutes.
4. Use of hand sanitizer gel or wipes is advised BUT WILL NOT BE PROVIDED BY THE PARISH COUNCIL
5. Wearing of facemasks is advised
6. When using equipment do not touch your face.
7. Consumption of food and drink within play areas is not permitted.
8. Please use bins provided or take litter home.
