

## **Green Infrastructure Group June 2022**

### **Introduction**

The next meeting will be held on Monday 28<sup>th</sup> June 2022 This is an interim report.

### **Biodiversity Strategy and Action Plan**

I attach the Biodiversity Strategy for your information. The Advisory Group have seen it and commented, and we have, as previously reported, used it to provide guidance for the Handymen. We have also put together a list of actions for the Council which is also attached. I am distributing this now to give Councillors a month to review the Strategy and the actions which we will bring to Council for amendment and/or approval in July.

The Tree and Footpath warden has suggested that we advertise for a volunteer Biodiversity Champion.
