

Coronation Plans and Community Vibrancy Grant

Buckden has been provisionally allocated a grant of £5000 to support village events in the next twelve months. We would like to propose that the money is in principle spent as follows:

- Community Vibrancy Grant to provide funding for:
 - Coronation weekend events
 - August Event
 - Scarecrow competition
 - Christmas Lights switch on.
- Possible Costs that could be covered are:
 - St John's Ambulance x 3
 - Performers for Coronation, August and Christmas events.
 - Childs Entertainer for Coronation
 - Road Closure costs
 - Banners x 3
 - Leaflets A5 for delivery to all residents, A4 for Lamp posts, shop windows

These costs fall within the parameters of the grant which seeks to support local business and increase footfall in the village.

Plans are tentative at the moment and more detail will be provided as plans evolve.
