- Roles & Responsibilities
- AOB

Item	Comments	Actions
Half term sports sessions (both age groups)	5-11 year old sessions are now planned and promo has been received. Teenager age session is also organised and we have the promo material.	Jess to continue to promote online
Fibro Yoga	We have agreed to support all of this initiative. No promo required for this as it will be based on referrals from GP. Poster will be placed in village hall if possible.	Action for Anita to forward any correspondence on to Ramune and Jess
Stay & Play	Now going once a week and very popular	

Diabetes Support	Not supporting weekly sessions but the one offs are going ahead.	
Funding/Grants	We have 3K in the budge but more funding would support the summer event	Action for Ramune and Jess to look into grant for Summer Event
Playground	Anne will go to potential suppliers and look at a brief. A couple of opportunities for funding are also available. Martin Rose is also supporting this.	
Village Club indoor hangout area	Caroline has emailed Kevin be hasn't replied. There is an update for an area on the field, towards the lake outside. A gazebo style area as well as somewhere near the decking.	
Survey	In general we should stick to the same questions as before to enable us to compare responses.	- Action for Anita to review the questions and populate poster. - Anita to put Jess in touch with Cash for the poster design. - Action for Caroline to find the answers from 2025 survey and circulate.
Youth Participation		Action for Anita to invite Ayo to the next HUB meeting. Ask him to feedback on the survey questions.
Summer event	- Potential of early September - Potential of having a couple of versions of the poster	- Action for Caroline to find out timings and pricing for the Creative Team Events (beatboxing, junk funk, drumming) - Action for Jess to find out if the DJ & Red can come back with potential dates - Action for Anita to ask Kelly about doing another session and the Towers for dates
Self-Promo	Our logo is now going out on everything HUB related	Jess and Ramune to check if it is missing from anything

AOB
