Apologies

Catherine Keating

Chair of Group and Terms of Reference

It was agreed Gerald would take on Chair role with support from Caroline
Terms of Reference were agreed.

Actions from last meeting

CU will follow up on Buckden sign with Les Middleton.

ACTION CU

All other actions were covered in the Agenda items

Speed watch

Cllr Sue Ashwell has taken on the co-ordination of this. CU will send on Sue's action list.
Lynn is still willing to be part of the group. Gerald has undertaken training and completed indemnity form. Request for volunteers will go into next months Roundabout and on to Face book.

ACTION CU to circulate Cllr Ashwell's action list and email SA with LR's details

PFHI bids

The feedback on the double yellow lines application is they are aiming to start the public consultation on the 27th of July and it will be open until the 19th of August - this is necessary part of the Traffic Order process. It was agreed information on this should go into the Roundabout AB offered to write a paragraph. There are 5 bollards being put up by the Hoo, bollards have been selected but no action so far.

ACTION AB to send text for Roundabout

Cycleway Improvements

CCC have just had the crossing option drawings back this week to consider and have a meeting with the designers next week to discuss. HDC have emailed asking for further information CU will respond.

ACTION CU to update HDC

It has been suggested that we invite Hinchingsbrooke to support the scheme and be involved in the opening CU contact then when plans are further forward.

ACTION CU to communicate with Hinchingsbrooke

Cycleway maintenance

Lynn raised this with Martin Hassall District Councillor who has passed it on to Ken Billington County Councillor as it is the responsibility of CCC.

CU to discuss the use of Community Service for path from Golf course into Brampton with Mike Bainbridge at next meeting

ACTION CU to discuss maintenance with Mike Bainbridge

Cycleway south of Buckden

CU had raised the issue at the last A1 meeting, it was agreed that she would email Alan Trille to get a detailed explanation of the reasons for not making the necessary improvements. She will mention the increased use and number of complaints and ask if just a simple concrete ramp/slope can be put in.

ACTION CU to email Allan Trille

Cycle racks

These are complete and an update will be put in Roundabout.

Mill Road

The work has been undertaken but the standard is not good and they have not used the opportunity to clear the path edges and widen it. Gerald will look at what we might be able to do.

ACTION GS to review

Pavement and Road survey

This is now complete, we need to consider how this is best done next year. It will be sent to CCC and to Ken Billington.

ACTION CU to send on

Local Transport Plan consultation

Agreed feedback sent

Other issues

Lynn asked about the possibility of the Handymen keeping the end of Silver Street cut back just before and just after the nesting season.

Underpass lights still need replacing Gerald will contact Allan

ACTION GS to contact NH

ACTION CU to raise with Clerk

Next priorities

These will be considered when the current work is complete

Date of next meeting
