

Buckden Parish Council

Neighbourhood Plan Advisory Group

Report to Parish Council meeting on 09/09/2025

1. Catherine Grigg and Natalie Bartlett are welcome new members of the Group.
2. The Group has met twice since the last PC meeting and has planned how to respond to the consultations to be issued by Huntingdonshire District Council about its proposed new Local Plan.
3. The Group has two Proposals to make to the Council. Draft Proposals are with the Agenda papers. JT will speak to the proposals at the PC meeting.
4. Chairs of Committees and Advisory Groups are reminded that HDC will be issuing its consultations in October/November this year. We do not know how long the consultations will be open for. In the Group's view it is essential that their Committee/Advisory Group send responses to the NPAG as fast as possible on the consultations being issued, so that the NPAG can co-ordinate and complete the consultation responses within the allowed period.
